**FOR IMMEDIATE RELEASE**

**New Heavy-Duty Mold Release and Pin Lube is a non-silicone, paintable, food-approved lubricant**

*Ideal lubricant for the front half of ejector pins*

Wheeling, IL – Heavy-Duty Mold Release and Pin Lube is a non-silicone, paintable, dry release that minimizes leaching out onto parts.

An ideal lubricant for the front half of ejector pins (pins in forward position,) this almost dry lubricant minimizes the possibility of leaching out onto molded parts. Use in combination with an application of Super Grease on back side of ejector pins. Stable at temperatures up to 400°F, Heavy-Duty Mold Release and Pin Lube can be used on plastics, rubber, waxes, glass-filled nylon and similar materials.

Founded in 1953, Slide Products, Inc., an environmentally conscious manufacturer, makes mold releases, cleaners, rust preventives and more.
