WHEELING, IL 60090 Fx 800-756-7986

June 10, 2008

Certificate of Compliance/Analysis

To whom it may concern:

This is to certify that all Slide products are manufactured in compliance with all current applicable local, state, and federal regulations pertaining to aerosol products and non-aerosol products alike. **Slide Products are made in the U.S.A.**

All products manufactured by Slide Products are authentic and have a 2-year shelf life from date of material received. If you need assistance determining the manufacturing date of a specific product, please call Slide Products at 800-323-6433.

Seller warrants that the products of seller's manufacture which are delivered by seller hereunder shall be free from defects in material and packaging during the limited warranty period. The limited warranty period for all such products is two years, which shall begin from date of shipment. If during the limited warranty period any such products are proven to be defective upon seller's inspection, seller's sole obligation is to replace any such products upon receipt of the defective product at seller's factory. (Please see further information of seller's "Terms and Conditions" on our website at www.slideproducts.com)

Material Safety Data Sheets (MSDS) for any Slide product are available upon request or from our web site at www.slideproducts.com.

Respectfully submitted,
Slide Products Inc.
